For those who have a residence status other than “student”

Confirmation letter for the prospective acquirement of “student” residence status at the time of admission (for undergraduate applicants)

Attention:

Changing your residence status is a very important choice. Please consult with your family and consider your decision once more. Once you change your residence status, you may not be able to return to your original status of residence. Be sure to check with the Ministry of Justice Immigration Bureau etc. before filling in this application form.
