IMAT

DUAL DEGREE PROGRAM

RITSUMEIKAN
ASIA PACIFIC UNIVERSITY

INTERNATIONAL MATERIAL FLOW MANAGEMENT

FUTURE-FACING DEGREE

IMAT is a 2-year, dual degree master's program managed jointly by APU and the Institute of Applied Material Flow Management (IfaS), an innovative research institute of the Trier University of Applied Science located in Germany.

Drawing from and integrating the fields of engineering, economics, law, natural and social sciences, the program offers knowledge on how to link economic development with environmental protection in the realms of energy, water, waste or other material flows, through the use of optimized technology management strategies. The program is conducted entirely in English.

Upon completion of the program, students receive two master's degrees:

- Master of Science in International Cooperation Policy from APU
- Master of Engineering in International Material Flow Management from Trier University of Applied Sciences

HOW MUCH DOES IT COST TO STUDY IN THE IMAT PROGRAM?

Admission fee (one-time deposit)

200,000 JPY (1,739 USD*)

Annual tuition

1,400,000 JPY (12,174 USD*)

Annual IMAT program fee

200,000 JPY (1,739 USD*)

Living costs and other fees

Approx. 1,000,000 JPY (8,696 USD*) per year
This includes 49,000 JPY per month for housing, additional fees, and a typical amount spent on living costs such as food, books, transportation, etc.

*US dollar equivalents are for reference only, based on the exchange rate of \$1 = 115 Japanese yen.
All fees must be paid in Japanese yen. See our website for a detailed breakdown of fees.

APU TUITION REDUCTION SCHOLARSHIP

30%, 50%, 65%, 80%, or 100%

Valid for the full two years of study

All applicants eligible to apply

GAIN A COMPETITIVE EDGE

Become a professional in **zero emission systems design**

Experience a **unique, multidisciplinary, and international** education

Gain insight into Japanese and German **business and cultural environments**

Conduct **field work** around the world

Experience an **internship** in Germany

LOCATION

APU is located in Beppu, **Japan**, a bayside city home to 120,000 people and over 2,000 natural hot springs.

Environmental Campus Birkenfeld (ECB), located on the southern edge of the Hunsrück mountain range, is the first zero-emission campus in **Germany**.

Why Beppu is a great place to study:

Safe and affordable
Stunning location
Welcoming community

One-of-a-kind experience in Germany:

Exceptional quality of living
Zero-Emission Campus
History and nature at your fingertips

IMAT VOICES

"IMAT provides chances to learn the latest concepts and theories of zero emissions and circular economy. This program also offers access to pioneering practical cases in Japan, Germany, and other parts of the world. Essential training in the program, focusing on flow and systematic analysis, prepares students for the evolving complex challenges in the transition to sustainability, starting them on the path to becoming green business experts."

Xuepeng Qian, Ph.D. (China)
Associate Professor and IMAT Program Coordinator at APU

"IMAT is a future-oriented master's program looking into innovative and international green growth strategies on an organizational and regional level. Our graduates have excellent job opportunities in this ever growing business segment."

Peter Heck, Dr. (Germany)
Professor and IMAT Director at IfaS

"The IMAT program introduced me to the concepts of circular economy and material flow management through interdisciplinary lectures in business, energy, and policy. My most enlightening moment was the realization that waste, with proper attention and research, is a resource. I am looking forward to participating in an internship in Germany this year and using what I gain through this program to empower more people in the African continent through education on circular economy in waste management and business."

Faith Wachinga Kaibere (Kenya)
International Material Flow Management Student

"Due to the variety of lecturers from academic, governmental, and business backgrounds as well as the cross-cultural experiences that APU in Japan and IfaS in Germany offer, I have gained confidence in international cooperation, broadened my horizons, and nurtured my passion in this innovative and emerging field of study."

Ulrike Kirschnick (Germany, Graduated in 2018)
Project Manager, IfaS (Trier University of Applied Sciences), Germany

ONE YEAR IN JAPAN, ONE YEAR IN GERMANY

MULTIDISCIPLINARY COURSES

First year: APU (Sustainability Science Division)	Second year: Trier University of Applied Sciences
• Environment and Natural Resources Conservation • Advanced Environmental Geosciences • Environmental Policy, Law, and Administration • Environmental Economic • Urban Sustainability • Industrial Ecology	• Eco-System Management • Zero Emission Strategy • Engineering Science • Sustainable Resource and System Change Management • Business Planning • Climate Change & GHG Abatement

Internships in Zero Emission Enterprises

During their second year, students will have the opportunity to engage directly with one of IfaS' many international projects and partnerships which focus on bringing renewable energy solutions to both private and public sector institutions worldwide through IfaS' Internship Module.

GLOBAL CAREER OPPORTUNITIES

Alumni Pathways

- AUDI Mexico
- DNV GL, USA
- Deloitte Tohmatsu Consulting LLC, Japan
- Environmental Authority, Hawaii, USA
- 4Europe Consulting, Germany
- General Motors Powertrain, Uzbekistan
- Green Concept Consulting, Nigeria
- Juwi Renewable Energies Private Ltd., Singapore
- KOE Environmental Business, Japan
- Kitakyushu Eco City Foundation, Japan
- New Zealand Transport Agency
- saferay Pte. Ltd., Singapore
- Wujin Green Industry Park, China

HOW TO APPLY

September 2021 Enrollment

Overseas applicants:

September 1, 2020 (Tue) – April 14, 2021 (Wed)

Domestic/Internal applicants:

September 1, 2020 (Tue) – June 2, 2021 (Wed)

ELIGIBILITY REQUIREMENTS

1. Bachelor's degree or equivalent
2. English language proficiency test score

Minimum requirements:

IELTS	6.5
TOEFL iBT® Test	85
TOEIC® L&R Test	800
Cambridge English Language Assessment	176
PTE Academic	58
