III. Education History

In chronological order, please list <u>all schools</u> in English that you have attended from elementary school level to the last or current school you are attending. (Nursery, kindergarten and language schools are not to be included.) Please write the school name in English (if the school is located in Japan, in Japanese). Note that first year student applicants must complete (or be scheduled to complete) 12 years of education according to the standard curriculum established under Japan's education law or an equivalent school education.

* Please consult with the Admissions office before applying if you are from a country or region where the standard length of education is 11 years. Please fill in your education history as written in the example below.
